

## Evolution Solution Composed Canine Behavior Program

*Positive Behavior Change*

Our Composed Canine Behavior Program is the best option for those dealing with difficult, complex, dangerous, or other behavior concerns. With specialized education and experience with handling and dealing with aggressive or difficult dogs, we are comfortable with helping you navigate these tough challenges. We will not utilize commonly suggested techniques that can escalate behavior problems.

### ***Program highlights:***

- We stop the cycle of worsening behaviors
- A thorough assessment is completed to help guide us along your behavior improvement journey
- We provide resources, support, education and coaching
- Steps and protocols to follow at home and in public to increase safety and improve response from your dog
- Structured sessions and individually selected services that suit your needs
- 3-6 Month program is flexible to the learning pace of the dog and humans
- A referral report for your Vet can be written if needed
- Science-backed ethical methods and LIMA-based principles ensure we will not cause further harm to your dog

**This is the program you'll want to choose if you're dealing with aggression toward humans, animals, resource guarding, dog fights, dog bites, fear-based aggression, territorial behaviors, conflict in the household, dangerous incident counseling, rabies quarantine behavior management plan, liability concerns, and family coaching to navigate these challenging situations.**
